In January 2000 I joined Richter & Malan Architects (Johan Malan) in Witbank as a Professional Senior Architectural Technologist. I worked for this Company 5 ½ years where I learned a great deal in my Architectural Career.

Since the beginning of 2005 I had this thought of starting my own company and I officially opened the doors of PRLB DESIGNS cc on 1 July 2005. I was the only employee. Fulfilling the task of Designing beautiful homes and office spaces, creating new life to existing boring houses, prepare fully detailed documentation for contractors to build from, dealing with the Local Authorities and working closely with other consultants and Professionals such as Attorneys, Quantity Surveyors, Civil and Structural Engineers, Mechanical and Electrical Engineers, Townplanners, Land Surveyors and Estate Agents.

I am registered with SACAP (South African Council for the Architectural Profession) Registration Number **ST0360**. I was on the committee for Higher Education and the committee for Communications from May 2006 up until May 2007. I am also registered with SAIAT, I have been a member for 21 years, my registration Number is 70535. I was the Vice-President for the year 2005-2006 and was an Executive Member of the National Committee in 2008, and the Regional Representative for the Mpumalanga Region in 2009.

It is a great pleasure to submit the above information, if you require any additional information, with regards to projects involved with, please do not hesitate to contact me.

Yours Faithfully
